FLORIDA DEPARTMENT OF TRANSPORTATION - DISTRICT FOUR INVITES YOU TO A PUBLIC INFORMATION MEETING

New Interchange at I-95 (SR9) and Oslo Road (CR 606) (413048-2) and Widening of Oslo Road from east of I-95 to SW 58th Avenue (431521-1)

The Florida Department of Transportation (FDOT), District Four, will conduct Public Meetings regarding the above referenced project in Indian River County. These public meetings will be offered in two different formats: virtual and in-person. Virtual attendees can ask questions and/or make comments via the chat function. The in-person meeting will be an open house format for attendees to ask questions and/or make comments to project representatives. Questions and comments can be submitted prior to the meeting through the registration link or by emailing the project manager. Visit our project website at www.oslodesignproject.com for more information.

PROJECT IMPROVEMENTS

- New interchange with partial clover leaf ramps at I-95 and Oslo Road.
- Widening Oslo Road from a two-lane to four-lane divided roadway from west of I-95 to SW 58th Avenue.
- Interchange ramp lighting.
- Replacement of existing Oslo Road bridge over I-95.
- New signalized intersection at Oslo Road and 66th Avenue SW.
- Roadway improvements on 74th Avenue, 66th Avenue and 58th Avenue.
- Realignment of 82nd Avenue at Oslo Road.
- Elimination of the 86th Avenue connection to Oslo Road.
- New construction of 13th Street SW connecting 86th Avenue SW and 90th Avenue.
- Extension of south limit of noise wall on I-95.
- Replacement of county sanitary, water and raw water mains.
- Other improvements include drainage, ponds to accommodate roadway stormwater and flood compensation, signing, signalization and Intelligent Transportation System (ITS).

CONSTRUCTION IMPACTS

- All lanes will remain open during construction.
- Access to businesses and private properties will be provided at all times.
